August 2018

Dear Ridgewood Community and Football Supports

It is my great privilege to be writing you this letter as we embark on our 2018 football season.

We are all fortunate to be part of such an outstanding community and I am honored to be part of a great team of parents on the Ridgewood High School Football Scholarship Committee (RHS FSC). I am also the proud father of a current (as well as former) Ridgewood football player and have been involved with this terrific team of seniors and their families since they were in third grade. This group has been part of an undefeated State Sectional Championship, two trips to Met Life, and a combined 29-6 record. Let's keep it going!

We on the RHS FSC follow in the footsteps of so many fantastic people that have put their time and effort into supporting this organization for 78 years. Since 1940, the RHS FSC has raised almost \$1 million which has all gone to provide financial aid to qualified RHS senior football players as they embark on their college journeys. This has been done with the support of our advertisers, community members, friends, and families and the effort would have been impossible without the efforts of the parents on the RHS FSC. Thanks to all...and remember to please support our advertisers.

Ridgewood is an incredible place and the support of the entire community has always been terrific. I especially want to thank the Cheerleaders, the RHS Marching Band, and the Color Guard for their work, dedication and achievements. We are happy to join you all in making each game day such a special experience. We are also incredibly lucky to have the support of leaders such as Dr. Fischbein, Dr. Gorman, and Mr. Cook at RHS.

And last but not least, we all want to thank Chuck Johnson and the entire coaching and training staff for their terrific work and tireless effort. I cannot think of a better group of teachers, leaders, and mentors for our kids.

2018 is shaping up to be another strong RHS Football season with a talented and motivated group of players. Good luck team!

GO WOOD!

Sincerely,

Edward C. Simpson
