**Ridgewood High School Football Scholarship Committee**  
**2021 FOOTBALL SEASON AWARD RECIPIENTS**

“YOUR LIFE AND MINE SHOULD BE VALUED  
NOT BY WHAT WE TAKE... BUT BY WHAT WE GIVE.”

-EDGAR ALLEN

Dating back to 1940, the Football Scholarship Committee has supported the Ridgewood High School Football Program by providing needs-based, four-year scholarships to senior football players. The scholarship recognizes players who demonstrate sportsmanship, academic achievement, and have a financial need in their pursuit of a college education.

Although the global pandemic presented challenges to our mission, our focus to provide financial support to our players remained steadfast. Through the generous support of parents and our community, this year’s average scholarship award is among the highest in our 82 year history. And we are thrilled to award these scholarships to four individuals who represent the best of Ridgewood High School football.

On behalf of the entire Scholarship Committee, congratulations to this year’s Ridgewood High School Football Scholarship Award Winners:

**Joe Grasso (#4)**  
Franklin & Marshall College

**Will Nevin (#11)**  
Montclair State University

**Greg Lawson (#58)**  
Indiana University

**Gary Fletcher (#75)**  
Penn State University

**THE RIDGEWOOD HIGH SCHOOL ALMA MATER**

There are so many High Schools that are loyal,  
 staunch and true,  
 Standing for their colors, and for their honor too,  
 But we have a fairer High School for which we  
 will fight,  
 And proud are we enrolled to be,  
 Beneath maroon and white.

**Chorus:**

Once again to thee, our Alma Mater,  
 Raise we songs on high;  
 Stand, boys stand your ground,  
 We'll win the fight or die,  
 Forever holding to our standard proudly,  
 Loyally we'll try,  
 To brighten the fame and never put to shame  
 The glory of Ridgewood High

**RIDGEWOOD HIGH SCHOOL FOOTBALL SONG**

Go get 'em Ridgewood  
 We're out to see you win this game  
 Go get 'em Ridgewood  
 We're bound to see you bring us fame  
 Fight, fight, fight for victory is near  
 Then your praises loudly we will cheer  
 Go get 'em Ridgewood  
 Go get 'em, Go get 'em now

Dear RHS Football Family,

I am honored to write to you as the current Chairman of the Ridgewood High School Football Scholarship Committee, father of two football players, and as a former player at RHS. I was fortunate to have played for Coach Johnson on his first state championship team in 1991 and nothing brings me more joy than giving my boys the same opportunity to play for Coach and this program which has become a perennial contender and public school powerhouse. I'm excited to lead the committee in back-to-back seasons as Coach begins his 38th year.

I'm also honored to follow in the footsteps of those before me. The Scholarship Committee is entering its 82nd year and we've never been more aligned with our mission of providing needs-based scholarships to senior players so they can achieve their dream of going to college. Our scholarships would not be possible without the efforts from our parents, sponsors, friends, and community members. Thank you and please remember to support those that support us.

A group five football program doesn't succeed without a ton of support. In addition to our amazing coaches and parents, I want to thank Erica Centrelli and John Luckenbill who run our Cheer and Marching Band programs. They provide the energy and sound track to RHS football games Friday nights. I would also like to thank the administration who oversee the behind-the-scenes work to ensure our season is a success. I especially would like to thank Jeff Nyhuis, Keith Cook, and Maureen Chiaramonte for their support.

We have an incredible but challenging football schedule ahead of us this season. But as we've learned from our recent past, great moments come from great opportunities. Let's make this a season to remember.

Sincerely,

Mark Kossick, RHS Captain & 1991 State Champion  
RHS Football Scholarship Committee Chairman

Good evening and welcome to Ridgewood High School!

Tonight we come together to experience one of the great traditions at Ridgewood High School, a Friday night football game under the lights.

What you will see tonight from our football players, cheerleaders, and marching band is the culmination of countless hours of preparation, dedication, and hard work from our students and coaches. I'd like to thank all of the students, coaches, and parents for their sacrifices and commitment to make a special night like this possible.

When you think about it, each football play, cheerleading routine, and marching band performance requires each student to do their individual job for the good of the team. When each individual does their job, the team succeeds. When each individual puts the team first, great things can be accomplished. The lessons learned from being a member of a team are an essential part of the high school education experience that will help our students long after tonight's game.

At Ridgewood High School, we strive to uphold the standards of a tradition of excellence. We expect our fans in the stands to have fun, be respectful, be positive, and cheer for their team. You've heard it before but it bears repeating: Let the players play, the coaches coach, and the officials officiate.

Good luck to the 2022 Ridgewood High School Football Team, the Ridgewood High School Cheerleading Team, and the Ridgewood High School Marching Band. We are proud of you and thank you for representing Ridgewood High School with pride and continuing the tradition of excellence.

Go Wood!

Ridgewood Football Family:

On Monday, August 8<sup>th</sup>, we welcomed over 70 varsity football athletes to the official start of the 2022 season here at Ridgewood High School. All of our coaches and players were fired up and ready to get back to work. We are very much aware of the once in a lifetime opportunity in front of us all: to win the first ever overall Group 5 State Championship in New Jersey high school football history.

We began our team meeting by congratulating all our players on their decision to play this great (the greatest)! game! The choice to compete requires tremendous commitment on the part of the athlete and the athlete's family, especially if we hope to maintain our tradition of excellence established for Ridgewood Football over the past few years (76 wins, 24 losses, 4 division titles, and 3 state sectional championships). As anyone who has played the game knows, football changes lives for those who play it!

My sincere thanks to our players, coaches, and to the scholarship committee for all you have done in preparation for the 2022 season. Our fitness center, practice field and stadium give our team the setting and tools necessary for success. All RHS athletes have access to our state-of-the-art facilities to train and compete.

The 2022 season looms with one of the most competitive schedules the Maroons have ever faced. Every opponent, except for Wayne Hills, was an NJSIAA playoff team in 2021. Ramapo, Montclair, and Wayne Hills are consistently three of the most successful programs in the state. This year's schedule returns two traditional rivals, Clifton and Passaic County Technical Institute. Both were North I Group 5 state finalists in 2021. Buckle up your chin straps, baby!

Group 5 High School Football in 2022! There is nothing like it. Whether you are ready or not, here comes the excitement, the white-outs, the black-outs, the unpredictability of high school football. I hope our entire community will embrace our "boys of fall" as "Friday night lights" embeds itself in our village.

Sincerely,

## 2022 CHEER TEAM

# THE 2022 RHS MARCHING BAND

Ridgewood High School enjoys a reputation for being a leader in many different categories. Each year, the school receives awards for overall excellence, our athletic programs win consistent accolades, and academically, few schools can compare! But did you know that the RHS Band Program is also recognized as one of New Jersey’s finest?

As charter members of the United States Scholastic Band Association (USSBA) in 1990, the RHS Marching Band has received top five divisional finishes twenty times, including USSBA Championship titles in 1992 and 1997, and state titles in 1998 and 1999. The Wind Ensemble and Concert Band have received "Superior" ratings at festivals, the jazz ensembles have received special awards at the NJ State Jazz Ensemble Festival, and our small ensembles have been honored with annual appearances at the Lincoln Center Chamber Music Society’s Young Musicians Concert since 1998. Individually, members of the RHS Band Program have performed in the All-Region, All-State, All-Eastern Honor, and All-National Bands, and set a county record with 21 students selected for the 2011 All-County Band.

This year, the RHS Band Program Celebrates its 100<sup>th</sup> Anniversary of the start of the RHS Band. The Marching Band will perform their show entitled, “The Maroon and Gold Parade,” in celebration of the Centennial. This show will bring you back to 1920s jazz, a journey through the many memories of being in the band and the many students who have been apart of the tradition, and finally a little 2000s rock in celebration of the anniversary! Musical selections range from the music of Harold Arlen, traditional Southern Harmony, and My Chemical Romance to our very own RHS Fight Song, “Go Get ‘Em Ridgewood.”

In addition to performing at all RHS Varsity home football games, the Band will participate in six competitions during the

2022 season. These include the New Jersey State Marching Band Championships, USBands National Championships, and the Yamaha Cup (traditionally held at **MetLife STADIUM.**)

The Band extends its best wishes to Coach Johnson and the football team for a successful season!

# Ridgewood High School Football Alumni WHERE ARE THEY NOW?

## Class of 2022

**Dan Caiafa | Widener College Pride |  
Quarterback**

Dan is excited to continue his Football career with the Widener Pride, who compete at the Division III level in the Middle Atlantic Conference. Dan heads to the Pride as a QB focused on helping his new team excel in a strong division. Dan's experience at Ridgewood playing against the top teams in NJ will serve him well as he pursues a spot on a dynamic young offense ready to take the next step in college Football.

**Joe Grasso | Franklin & Marshall Diplomats |  
Middle Linebacker**

Joe left Ridgewood High School as the most decorated football player in the program's history. He recorded over 200 career tackles, six forced fumbles, and numerous all-county and all-state awards, including the prestigious, first-ever Young Man of the Year Award. Joe will continue his football journey at Franklin & Marshall where he will wear number 4 in memory of his father, Jim.

**Andrew Gioia | Salisbury University |  
Cornerback**

Playmaker Andrew Gioia is headed to Salisbury University to play for the SeaGulls under Coach Sherman Woods. Gioia will continue to play cornerback, the same position his new head coach played for the SeaGulls from 1980-83. Andrew is excited to start camp and contribute to Seagull Nation. The Seagulls have been a dominant team in the NJAC Division and Andrew will certainly help his new team in their quest to win a national championship.

## Class of 2021

**Cameron Smith | Williams College Ephs |  
Defensive End**

Cameron got significant playing time on the defensive line as a freshman to help the Ephs lead the NESCAC in defense in 2021. Cameron registered 8 tackles (including 2 TFLs) and will likely get more playing time as a sophomore. He will enter camp at a robust 250 pounds.

**Jack Contrucci | Dickinson College Red Devils |  
Left Guard**

Entering his sophomore year with the Red Devils of Dickinson College, Jack is currently playing left guard on the offensive line. He is competing for a spot and expects to see more playing time this year. Even though his team went 4-6 last year, Jack says the team is feeling optimistic about their chances in the new season.

**Max Gluck | Union College Dutchmen |  
Kicker**

Entering his sophomore season as a Managerial Economics major, Max Gluck is looking to build off of a successful first year where he will be competing for the kicking duties for the Union College Dutchmen as they compete in the always competitive Liberty League. Max wears number 52.

**Ryder Langsdale | Lafayette College Leopards |  
Left Tackle**

Ryder is excited for the upcoming season of his sophomore year. He is taking on a new position, moving to Left Tackle. Ryder has been working hard in the off-season and gaining the weight necessary to take on the Patriot League's best. We are looking forward to seeing great things from him this year!

## Class of 2020

**Andrew Messineo | Georgetown University  
Hoyas | Defensive End**

Over the summer, Andrew interned at sports and brand engagement firm, Boom Ventures, where he expanded his knowledge of the sports business. At the same time, Andrew got himself ready for the upcoming football season. He believes his defensive line unit will be one of the best in the Patriot League. He is excited to play for newly hired defensive line coach, Coach Burns. Burns is a very good coach who demands a lot from his players. Andrew is excited to start training camp.

**James Miller | Columbia University Lions |  
Tight End**

James will be a junior at Columbia University. This will be James' second season playing for the Lions since the Ivy League did not have a season his freshmen year. He will be competing for reps at tight end and the team has high hopes to contend for the Ivy League crown. James will be majoring in English and is taking classes in writing, film and music. He also recently joined the Sigma Chi Fraternity. James' passions continue to be football and he also loves to act and sing while playing his guitar.

**John Kearney | William & Mary Tribe |  
Safety**

Similar to his days at RHS, John Kearney will be everywhere on the field for the Tribe this season. He will play both free and boundary safety on defense. He expects to run with the twos and play on all special teams. John wears number 43 because his father wore that number and it's a number that's always been in the family.

**Logan Albronda | Kentucky Christian |  
Guard**

Logan graduated from two year Hocking junior college and earned himself a scholarship to Kentucky Christian where he's a Knight. He is still playing guard on the offensive line and he's competing for a starting job. He's very happy in his new environment, his coaches, and he loves being at a Christian school where he is strengthening his faith in God.

**Class of 2019**

**Cooper Vellis | Susquehanna University  
Riverhawks | Offensive Line**

Cooper is starting his senior year at Susquehanna University. He is the Riverhawk's starting right tackle this year after starting the majority of last season. Last season the team went an impressive 9-2 and finished just shy of the Playoffs. Cooper is excited to get back out there and finish his career off on a high note. He wears number 60.

**Jack Pfund | Franklin & Marshall College  
Diplomats | Guard & Tackle**

Jack starts his junior year football with a new coaching staff who have moved him from nose guard on defense to guard or tackle on offense to bolster the line. Jack is following in the footsteps of his father, David, who played in the same Centennial Conference as a tackle for Muhlenberg. He expects the team to be competitive with teams like Susquehanna and Johns Hopkins. Jack wears number 71.

**Patrick Luby | State University of New York  
College of Cortland Red Dragons | Kicker**

Patrick is a business economics major at SUNY Cortland where he is entering his junior year. He is the kicker and a punter with a specialty in kickoff. Last year he had the second most touchbacks in all of Division III and was named first team All-Conference for the Empire 8. He even had two tackles last year. The highlight of the season is the annual Cortland-Ithaca football contest which Sports Illustrated billed "the biggest little game in the nation." This year's game will be played at Yankee Stadium on Nov. 12th in front of 45,000 fans for the rights to the 2022 Cortaca Jug. This makes Patrick the only RHS alumnus to play at both MetLife and Yankee Stadium.

**Class of 2018**

**Coleston Smith | Williams College Ephs |  
Linebacker**

After taking the Fall Semester of 2020 off during Coleston enters his senior season as a co-captain and starting middle linebacker for the defending NESCAC champion Williams Ephs, who went undefeated in 2021. Coleston earned a spot on the All- NESCAC Second Team Defensive team with 49 tackles, including 7 TFLs and 2.5 sacks.

**Class of 2013**

**Younghoe Koo | Georgia Southern University  
Eagles & Atlanta Falcons | Kicker**

Younghoe's NFL career has taken off like a rocket ship. After a short stint with the San Diego Chargers in 2017, Younghoe persevered and was later signed by the Atlanta Falcons in 2019. In his debut with the Falcons, he made all four of his field goals (including a 48-yarder) and both of his extra points in an upset win over New Orleans and was named the NFC Special Teams Player of the Week.

Since then, Koo has become one of the league's most reliable boots, earning Pro Bowl honors in 2020 after converting an incredible 37 of 39 field-goal attempts, including each of his eight kicks from 50 yards or longer. He followed up that campaign making 27 or his 29 field goal attempts, including 4 of 5 from 50-plus yards, and a perfect 30 for 30 on extra points. The Atlanta Falcons rewarded their steady kicker by making him the second highest paid kicker in the NFL.
